Nursery Lunchtime Policy

At our nursery, we aim to promote healthy eating habits and ensure lunchtime is a calm, safe, and enjoyable part of the day. To support this, we ask all parents and carers to follow the guidelines outlined below when providing a packed lunch for their child. Due to space limitations and compliance with Environmental Health; the nursery is unable to store, prepare or reheat food within the setting. Therefore, packed lunches **MUST** be brought to the nursery at lunchtime and then collected promptly once lunch has finished.

Packed Lunch Guidelines

- All lunch items and water bottles must be clearly labelled with the child's name.
- All food must be fully prepared and ready to eat.
- Lunches should be provided in line with the EYFS Nutrition Guidance, promoting balanced and nutritious meals.

- Each lunch should include at least one portion of fruit and one portion of vegetables.
- We request that children bring water only to drink.

Child 1st

The following items are not permitted:

- Sweets or chocolate
- Crisps
- Sugary drinks
- Nuts

Due to the high risk of nut allergies, we do not allow children to bring foods containing nuts.

The nursery also recognises that some children may require special diets that do not allow for the guidelines above to be met exactly. These should be discussed with nursery and parents are urged to be responsible in ensuring that packed lunches are as healthy and close to the guidelines as possible.

For these reasons children are also not permitted to swap food items.

Additional Requirements

In line with government guidance, we request that parents/carers:

- Provide a detailed list of the ingredients included in your child's packed lunch to support our allergy and dietary management protocols.
- The nursery manager reserves the right to review the contents of any packed lunch to ensure they meet our guidelines.
- If a suitable packed lunch is not provided, the nursery will supply a lunch and parents will be charged in line with nursery fees.

Things to Consider

- If a child refuses their packed lunch and requests a nursery lunch instead, a nursery meal will be provided and charged accordingly.
- Please note that hot meals stored in a thermos flask may be accepted by some nurseries; however, we do not accept responsibility for the temperature or safety of such items once on site. Please speak to the manager if you are considering this option.

Monitoring & Review:

Packed lunches will be regularly reviewed by staff.

Unhealthy food and drink items will receive a healthy eating note in the packed lunch informing them of the policy and to encourage healthy choices.

If a child regularly brings a packed lunch that does not conform to the policy the nursery will contact the parents to discuss this.
